1845 Summit Place, NW
Washington, DC
59,740 Square Feet

Historic Restoration
Renovation
Multi-Family Residential
Entitlements

At the exterior of the building, new stacks of windows will be added to the front and rear elevations at each floor. Improvements will be made to the main entry. A new steel and glass canopy will be installed above the main entry. At the interior, finishes and fixtures will be updated throughout the Common Areas. The Laundry Room will be renovated and the Fitness Center will be updated. A washer/dryer will be installed in each apartment.
