

4111 Connecticut Avenue | Washington, DC

4111 Connecticut Avenue, NW
Washington, DC 20008

5,720 Square Feet

Multi-Family Residential
Internal Courtyard

4111 Connecticut Avenue, NW has a combined site area approximately 5,720 SF. Two adjacent existing 3-story plus basement single-family rowhomes were removed and lots consolidated for the construction of this new 28,895 GSF, 6 story + Mezzanine, 26-unit multi-family residential building. The finished project includes an interior courtyard, private roof terraces for two 6th Floor + Mezzanine units and a common roof deck with elevator access.
