

Elena Veneziani

Associate

Bonstra | Haresign ARCHITECTS

Elena Veneziani has more than 20 years of experience in Human Resources and Accounting and is a highly skilled business manager with a demonstrated history of working in the architecture & planning industry. As Business Manager at Bonstra | Haresign ARCHITECTS, Elena directs all accounting efforts for clients, consultants, and employees. She works closely with the partners and senior project team leaders in all aspects of financial planning, budgeting and reporting. Additionally, Elena oversees the office's HR department, maintaining and creating new office policies and guidelines. Along with her strong business acumen and leadership capabilities, she serves as an integral part of creating our office culture, promoting continuous growth and maintaining a safe environment for all employees. She is a true asset to the success of our team.
