

STAFF DESIGNER I | ARCHITECT I (1-3 YEARS OF EXPERIENCE)

Bonstra | Haresign ARCHITECTS, a nationally recognized design firm located on Fourteenth Street, NW in the Logan Circle neighborhood of Washington, DC, is seeking a talented Staff Designer I to join our team. The ideal candidate is a BARCH or MARCH graduate with 1 - 3 years of experience in commercial, multi-family residential, and mixed-use projects.

OUR IDEAL CANDIDATE

- Hard-working, detail-oriented professional, committed to exemplary design and the advancement of the architect's leadership role in the academy and industry.
- Some experience with urban mixed-use, multifamily residential, small-scale commercial projects – new, modernizations, restorations and/or adaptive reuse.
- Takes part in AIAS, NOMAS, ULI programs.
- Has superior communication skills.
- Understanding of construction details, methods and materials on a range of construction types.
- Exhibits leadership, effectively maintaining relationships with professors and fellow students.
- Self-directed and a self-starter.
- Demonstrates passion and enthusiasm for the industry.

REQUIREMENTS

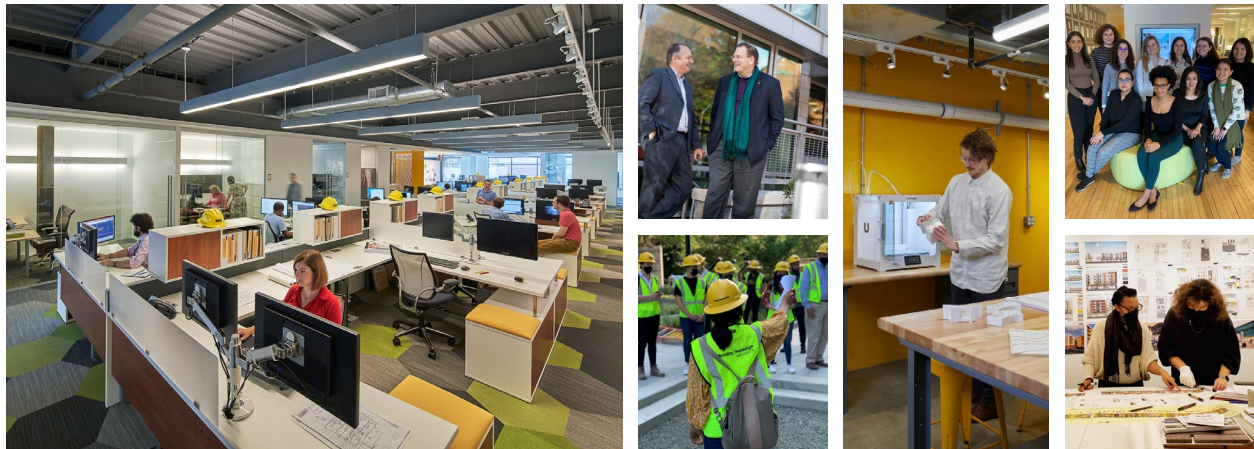

- Degree in Architecture from a NAAB accredited program.
- Minimum of 1 - 3 years of experience as an architect/designer with an architecture firm.
- Working knowledge of REVIT, AutoCAD, SketchUp and Adobe CSS programs.
- Significant progress to completing AXP towards licensure.
- LEED or WELL accreditation is preferred.

RESPONSIBILITIES

- Prepares architectural schematic drawings, design, development drawings, coordination of construction drawings and project documents.
- Designs sketches for elevation studies, massing studies, room layouts, furniture layout and design.
- Explores innovative design concepts and solutions.
- Surveying existing buildings ahead of any renovations or alterations and performing construction administration by responding to submittals and RFIs.

- Collaborates with other team members to ensure design and documentation are in accordance with project expectations.
- Assists the partners and team members with the design and implementation of work on current and upcoming projects of different types including, but not limited to, urban multi-family residential, mixed-use residential and commercial building design, historic renovation and adaptive reuse.
- Assists with the development of renderings, digital models and prints, and presentation materials for client and/or public presentations.
- Observes and contributes to client meetings and presentations.
- Contributes to the spirit and vibrancy of the studio.

ABOUT US

We are a firm of 30 creative architects and designers – problem-solvers who thrive on finding innovative solutions to the challenges of cities and neighborhoods. We are guided by the belief that architecture transforms communities and inspires people. We operate in a collaborative studio environment where the open discussion of architectural ideas and client solutions is valued and encouraged. Our team lives and works in the neighborhoods in which our projects are built; an ethos of community involvement is encouraged at every level. At Bonstra | Haresign ARCHITECTS, our people are our most valuable resource. We are a team of dedicated individuals who passionately believe in the power of design to positively shape the world.
